

Fulgent Sun: Unaudited sales for January 2022 reached a historical high NT\$1.47 billion (YoY6.84%), set a new record for January over the years.

2022 /02/ 09, Douliu

Fulgent Sun International (Holding) Co., Ltd. (Fulgent Sun, TWSE: 9802) today announced its unaudited sales for January 2022 was NT\$1.47 billion on a consolidated basis. It is 6.84% higher compared with January 2021's NT\$1.38 billion (9.69% YoY in terms of US\$). However, due to factors such as the gap between production and sales and insufficient shipping capacity, the revenue decreased by 10.74% compared with December 2021, but it still set a new record for January revenue over the years.

About 2022 prospect, Fulgent Sun are optimistic that the epidemic has catalyzed consumers' attention to outdoor leisure sports. With the smooth and steady increase in the Group's production capacity and the proper coordination of mass production orders, the Group's development and mass production capacity and production and sales operation scale are bound to rise to a higher level, and growth momentums seem robust in operation and management.
