Long-term growth momentum assurance

2017/ 09/ 08, Douliu

Fulgent Sun International (Holding) Co., Ltd. (“Fulgent Sun”, TWSE: 9802) today announced its unaudited sales for August 2017 was NT\$842 million on a consolidated basis, an increase of 18.50% from August 2016. Unaudited consolidated sales for January through August 2017 totaled NT\$6,724 million, an increase of 7.11 % compared to the same period in 2016, but in dollar terms, the revenue growth of up to 13.95% , to reach the same period of historical high.

Fulgent Sun indicated that the global consumer market in the athlete and leisure (Athleisure) become more prevalent, leading the majority of internationally renowned brands to achieve great sales results in the global consumer market . In addition of the existing customers have more integration of outdoor features and fashion elements of the new design demand, but also more fashion shoes brand has developed the integration of outdoor and sports function of the shoes. In this market trend, it will attract more well-known brands into the outdoor sports design concept, but also more conducive to Fulgent Sun develop new customers. Fulgent Sun continues to be committed to taking small-volume, large-variety production with flexible orders, and then consolidate and strengthen competitive advantage in the production.

The demand is particularly strong for orders and the new production line gradually sets up. Fulgent Sun is expected to maintain high-grade in September but off-season sales and orders are not low. Capacity allocation well and orders outlook assurance, the annual growth rate of production and sales is expected to grow positively in the next few months. Based on this, the Group's capacity expansion still maintain the annual growth of 10% to 15% as the goal, and in the expansion of production capacity will also continue to import automation equipment, and focus on the new production line to enhance production efficiency. The Group will be accurate and pragmatic to develop in the future.
