Independent Auditors' Review Report

(2020) Chai.Shen.Bao.Tzi No. 19003972

To the Board of Fulgent Sun International (Holding) Co., Ltd.:

Opinion

The consolidated balance sheet of Fulgent Sun International (Holding) Co., Ltd. and Subsidiaries (the Group) as of December 31, 2019 and 2018, as well as the related consolidated statements of comprehensive income, the consolidated statements of changes in equity and cash flows for the years ended then, and the consolidated financial report notes (including a summary of significant accounting policies) have been approved by the accountant.

In my opinion, the consolidated financial statements as referred to present fairly, in all material aspects the financial position of the Fulgent Sun International Group as of December 31, 2019 and 2018, and the results of its consolidated operations and consolidated cash flows for the years then ended in conformity with the “Regulations Governing the Preparation of Financial Reports by Securities Issuers” and applicable IFRS, IAS, SIC, and IFRIC as endorsed by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audit in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards. Our responsibilities under those standards are further described in the responsibilities of auditors for the audit of the consolidated financial statements. We are independent of the Fulgent Sun International Group in accordance with the Code of Ethics for certified public accountants in the part relevant to the audit of the consolidated financial statements of Group, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believed that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matter that, in our professional judgment, were of most significant in our audit of the consolidated financial statements of the Fulgent Sun International Group in 2019. These matters were addressed in the content of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on those matters.

Key audit matters are those matter that, in our professional judgment, were of most significant in our audit of the consolidated financial statements of the Fulgent Sun International Group in 2019.

Sales Revenue RecognitionMatter Description

Please refer to the consolidated financial statements in Note 4 (28) for the accounting policies of sales revenue in detail. The Revenue of Fulgent Sun International Group from January 1 to December 31, 2019 was NT\$12,842,525 thousand.

Fulgent Sun International Group is engaged in the production and sales of sports and leisure outdoor shoes. In terms of the trading conditions of the sales revenue, the control over the goods is transferred when the exporting goods are delivered to the forwarders designated by the customer and the sales revenue is recognized on the day the goods are delivered.

Since Fulgent Sun International Group is based on the product delivery day as the sales revenue recognition date, the revenue recognition process involves manual control and may not properly recognize revenue in the correct period; therefore, the CPA believes that the cut-off point for recognizing sales revenue is one of the key audit matters of the year.

Corresponding Audit Procedures

The CPA's corresponding audit procedures for specific aspects described in the key audit matters of the preceding are summarized as follows:

1. Understand and evaluate the sales transaction procedures and internal controls to evaluate the management's control over the recognition of sales revenue effectively.
2. Verify that the sales revenue transactions in a certain period before and after the balance sheet date are recognized in the correct period, and that the changes in inventory quantity and carry-over of cost of goods sold have been recorded in an appropriate period to evaluate the rationality of the revenue recognition time.
3. Implement a letter of credit verification test procedure for the amount of accounts receivable at the end of the period to confirm that the accounts receivable and sales revenue are recorded in the correct period that meets the requirement of revenue recognition time.

Evaluation of the Allowance for Inventory Valuation Losses

Matter Description

Please refer to the consolidated financial statements in Note 4(11) for the accounting policies of inventory evaluation, the accounting estimates of inventory evaluation and uncertainty of assumptions in Note 5(2) of the consolidated financial statements, and the evaluation of the allowance for inventory valuation losses in Note 6(4) of the consolidated financial statements. The inventory balance of Fulgent Sun International Group on December 31, 2019 was NT\$2,142,441 thousand; the evaluation of the allowance for inventory valuation losses was NT\$84,671 thousand.

Fulgent Sun International Group measures inventories that are aged over a certain period of time and individually identified with impairment at the lower of cost or net realizable value. The net realizable value used in the evaluation of such inventories often involves subjective

judgment, considering that Fulgent Sun International Group's allowance for inventory valuation losses has a significant impact on the financial statements; therefore, the CPA has classified the evaluation of the allowance for inventory valuation losses as one of the key audit matters of the year.

Corresponding Audit Procedures

The CPA's corresponding audit procedures for specific aspects described in the key audit matters of the preceding are summarized as follows:

1. Understand and evaluate the reasonableness of the subsequent inventory evaluation and provision of obsolescence losses of Fulgent Sun International Group.
2. Review its annual inventory plans and participate in annual inventory check to assess the management to distinguish and control obsolete inventory.
3. Obtain the inventory aging report and check it against the relevant supporting documents of the inventory change date, and confirm that the aging range of the inventory is correctly classified and consistent with its policies.
4. Obtain the net realizable value report of various inventories to confirm that the calculation logic is used consistently. Test the reference data of the estimated net realizable value of the inventory, including checking the supporting documents, such as, sales price and purchase price, and recalculate and evaluate the rationality of the allowance for inventory valuation losses.

Responsibilities of Management and Those in Charge with Governance of the Consolidated Financial Statements

The Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the "Regulations Governing the Preparation of Financial Reports by Securities Issuers", and applicable IFRS, IAS, SIC, and IFRIC as endorsed by the Financial Supervisory Commission of the Republic of China, and for such internal control as the management determines is necessary to enable the preparation of the consolidated financial statements to be free from material misstatement whether due to fraud or error.

In preparing the consolidated financial statements, the management is responsible for assessing the ability of the Group as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or to suspend the business of the Fulgent Sun International Group if there are no other practical options.

Those in charge of governance (including the Auditing Committee) are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report. Reasonable assurance means a high degree of assurance. However, the audit conducted in accordance with generally accepted auditing standards of the R.O.C. does not guarantee having any material misstatement in the individual financial statements detected. Misstatements can arise from fraud or error. If fraud or errors are considered materials, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

The independent auditor when conducting the audit in accordance with generally accepted auditing standards of the R.O.C. exercises professional judgment and maintains professional skepticism. We also perform the following works:

5. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design, and perform audit procedures responsive to risks, and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
6. Understand the internal control related to the audit in order to design the appropriate audit procedures in the circumstances, but the purpose is not to express an opinion on the effectiveness of the internal control of Fulgent Sun International Group.
7. Evaluate the appropriateness of accounting policies used and the reasonability of accounting estimates and related disclosures made by the management.
8. Based on the audit evidence obtained, a conclusion is drawn as to whether there are significant uncertainties about the appropriateness of the management's using the going-concern accounting basis and whether there are significant uncertainties in the events or circumstances that may cause significant doubts about the ability of Fulgent Sun International Group to continue operations. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosure are inappropriate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Fulgent Sun International Group to cease to continue as a going concern.

9. Evaluate the overall presentation, structure, and content of the consolidated statements, including related notes, whether the consolidated statements represent the underlying transactions and events in a matter that achieves fair presentation.
10. Obtain sufficient and appropriate audit evidence on the financial information of business entities within the Group in order to express an opinion on the consolidated financial statements. The independent auditor is responsible for guiding, supervising, and implementing the audit of the Group; also, is responsible for forming an opinion on the audit of the Group.

We communicate with those in charge of governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings (including any significant deficiencies in internal control that we identify during our audit).

The independent auditor has provided the declaration of independence of the CPA Firm personnel subject to the Code of Ethics to the governing unit; also, it has communicated with the governing unit regarding the relationship and other matters (including the relevant protection measures) that may affect the independence of the independent auditor.

From the matters communicated with those in charge of governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of Fulgent Sun International Group of 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communications.

The engagement partners on the audit resulting in this independent auditors' audit report are Shu-Hua Hung and Yu-Chuan Wang.
